4. Cancellations: Any cancellations must be received in writing at least **two weeks** before the start date. Fees paid, less the non refundable deposit(s), will be returned to you. You may commute your deposits to another course within one year of the cancellation date. There will be no refunds for cancellations received less than 14 days before the course begins.

5. Cancellation due to a visa application refusal: We require notice of **two weeks** prior to the course start date followed by official proof in the form of original documentation from the British authorities, without which, any refunds will not be possible. If you cancel a booking because of a visa refusal with more than two weeks' notice, we will refund the fees as long as they have been paid in full, less the £25 administration fee. If a visa is refused without payment being received in full then the £150 deposit will not be refunded.

6. Refunds: There are no refunds of tuition fees after arrival or compensation for missed lessons in any circumstances once your course has started, except in genuine cases of life or death urgency, (e.g. the sudden death of a member of your immediate family) In all cases you will be asked for proof. In the event of a refund being granted it will only be made at the original end date of the course to the person or agency that paid the school for the course.

7. Insurance: Because school fees are not refundable or transferable you are strongly advised to take out comprehensive insurance which

covers reimbursement of your fees. Please contact the school for details/premiums and for our recommended partners who specialize in student travel insurance. The insurance should also cover visits to the GP, and general health problems for non EU students.

8. Administration Charge: Once a student has started his/her course any changes to the course or accommodation have an administration charge of £25 which must be paid before the change is processed. Any holiday requests made outside the two weeks' notice period will also incur the £25 administration charge.

9. Accommodation: All efforts will be made to meet your accommodation requests. The school reserves the right, however, to place you in an alternative type to the same standard paid for. Requests to change or cancel accommodation must be received with two weeks' notice in writing. For changes to your accommodation the administration charge of £25 will apply in addition to the difference in fees for the new accommodation. If you cancel your accommodation you will be refunded the outstanding fees less the amount for **two weeks'** accommodation and the £25 administration charge.

10. Upon arrival, an appropriate ID will be required including visa page if applicable and a copy taken for our records. All information will be stored in accordance with the Data Protection Act.

11. Holidays: There are no fee reductions for public holidays or compensation for missed lessons. You are allowed a holiday period in accordance with your course duration. A maximum of 4 weeks may be taken at any one time. Two weeks' notice must be given in writing for holiday requests otherwise an administration charge of £25 will be made.

13. Liability: It is a basic stipulation of the agreement between the student and Bloomsbury International (UK) Ltd or its representatives that neither the School nor its representatives are liable to the student in cases where the school is unable to fulfill any services to which they are contractually bound because of strikes or other reasons that are beyond their control. This includes traffic congestion and public transport delays.
